## Nelson Flat Bottom Visual Dipping Cabinets

A nice compliment to our standard visual dipping cabinet line, our high visibility cabinets with a low front curved glass viewing window, bring a different look. The clean lines of the curved glass enhance product visibility at a competitive price making Nelson a clear and affordable alternative to the European gelato cabinets. With the addition of a flat bottom design, these cabinet eliminate the need to dive deep to scoop or pull up a tub from the bottom AND allow for air flow in & out the operator side.
