Nelson Hi-Visibility Line of Dipping Cabinets

A nice compliment to our standard visual dipping cabinet line, we are introducing our high visibility cabinets with a low front curved glass viewing window. The clean lines of the curved glass enhance product visibility at a competitive price making Nelson a clear and affordable alternative to the European gelato cabinets.

- 8DIP-HV.12DIP-HV and 16DIP-HV sizes available
- Cabinets are made with stainless steel interior
- LED lighting
- Electronic thermostats
- and Nelson's unmatched quality.

Optional can skirts for

- Standard 3-gal containers
- Ropak container
- or Gelato pans are available for every need

Concierge delivery options also available.
