HAPPY HANDS FREE HAND WASHING SPA

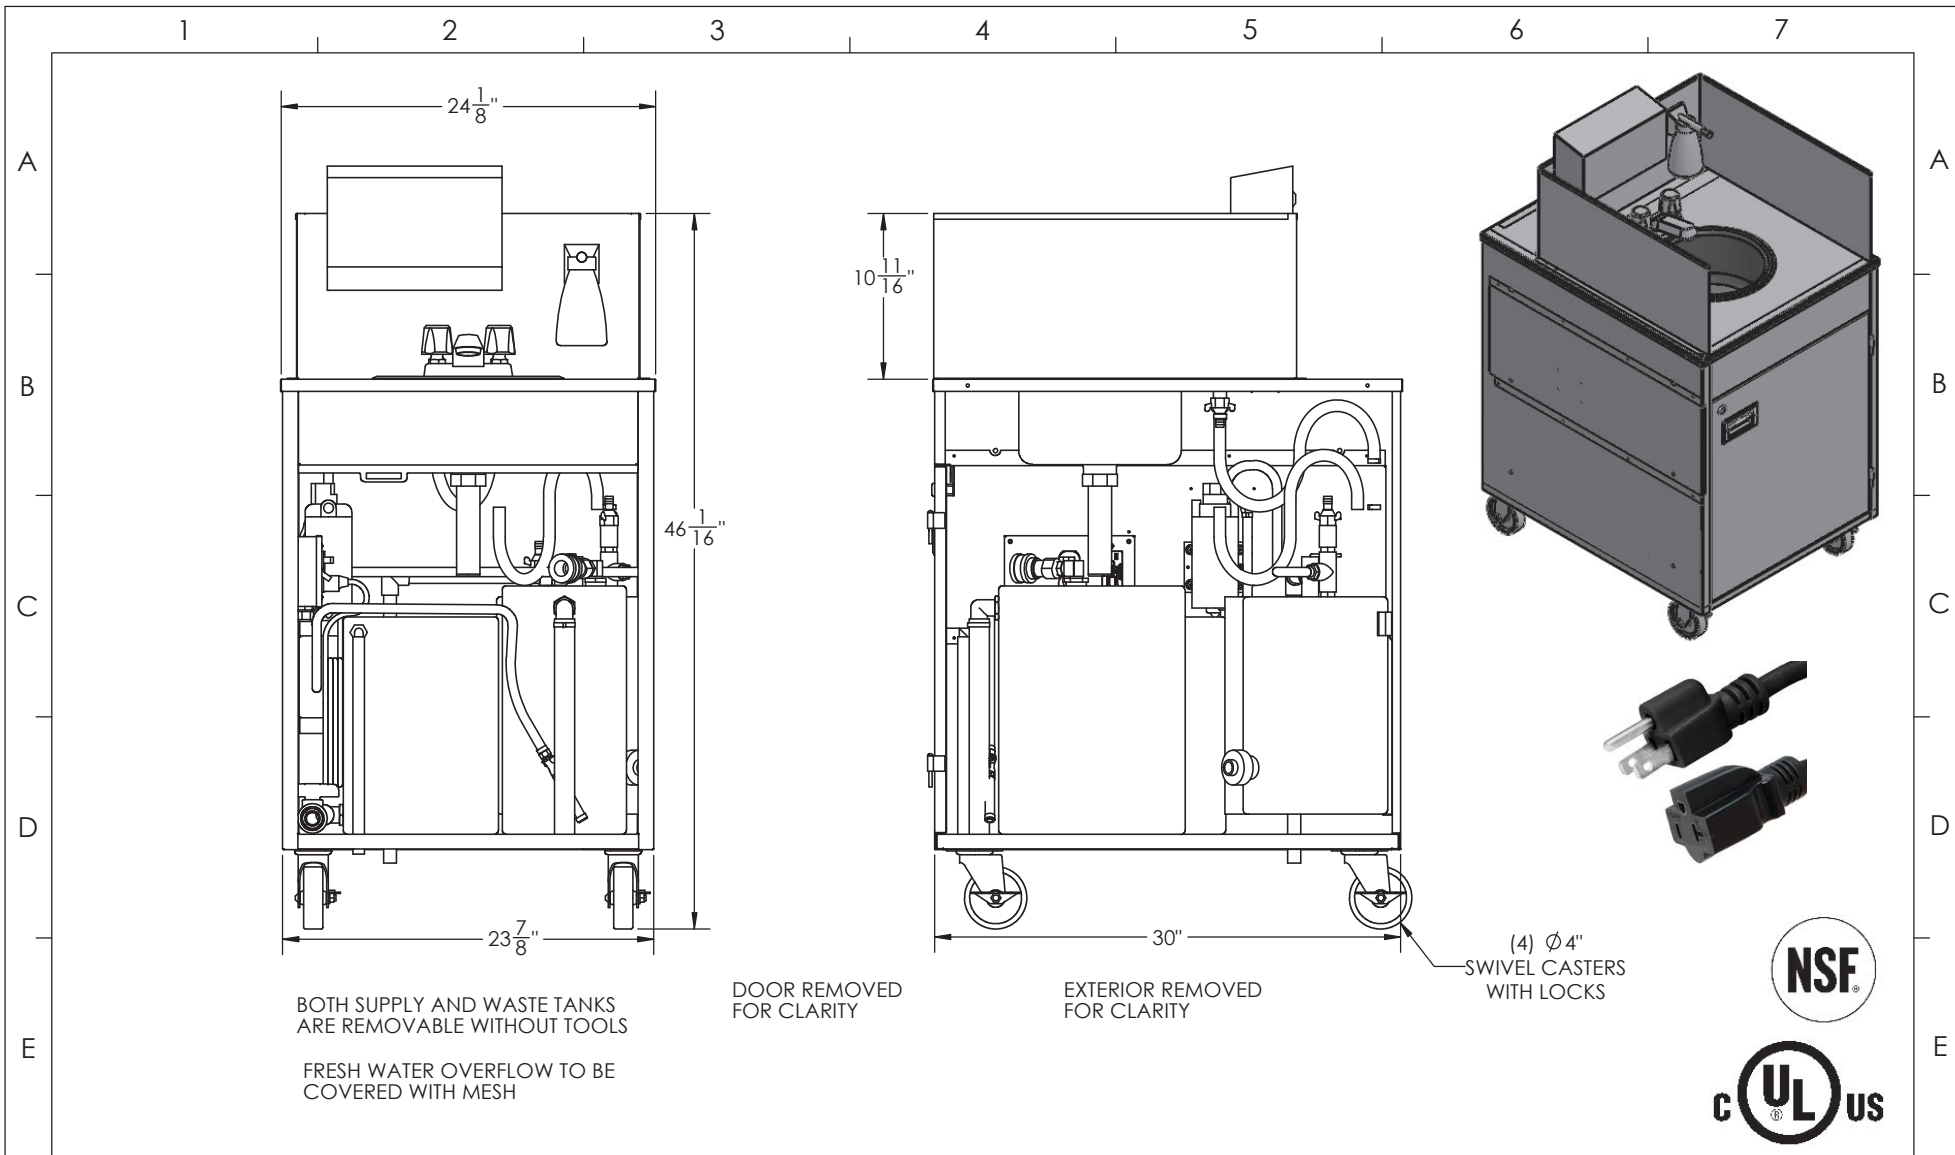

NSF LISTED PORTABLE SINK SYSTEM

SPECIAL \$2450 EA PLUS SHIPPING

Stand alone hand washing station approved by the National Sanitation Foundation. Totally self-contained, powered by a standard 15 amp electrical outlet. Includes a fresh water tank, a waste water tank, a pressure pump, a hot water heater, paper towel and soap dispenser. All stainless steel construction.

In a time when the importance of practicing good hand washing technique has taken over the media headlines, you need to be prepared. We can help.
